## Maths cafe - Kestrel class

Thank you to parents and grandparents who attended Kestrel Class Maths Café on Wednesday afternoon. We worked hard on solving the following problem:

Noah saw 12 legs walk by into the ark. How many creatures could he have seen?

Everyone enjoyed putting their maths and artistic skills to the test and the children came up with some really creative answers!

## Friends Committee

Thanks to your generous fund raising in school, the Friends committee have been able to give each class £50 to spend on extra items for the classroom. Owl class discussed what to spend the money on, and chose to order some board games from Orchard Toys. The games have now arrived and we are very excited to play them. Thank you very much for your donations. The Friends committee are looking for new members, so if you would like to help support them, please see the school office or Mrs Booth.
