Science week

This will include researching the life and work of a scientist, a chance to program a robot to hunt for prey, engineering projects and many other experiments. We look forward to sharing our work in class with you.

Voucher collection

We are collecting! Archant (publishers of the EDP, EADT, Norwich Extra and Diss Mercury) have teamed up with Sports for Schools to offer the chance to win £20,000 of sports equipment for schools. All we have to do is collect the most tokens from the back of any of their Norfolk based publications. Please ask family and friends to collect these tokens from the papers and bring them into school and place them in the box in the from office. Just for taking part we receive a £60 sports resource pack. Thank you for your support.
