

Aslacton Primary School - Newsletter 5th April 2019

This term our Core Value is: Creative

Owls have been writing their own adventures for Traction Man and searching for signs of Spring in the school grounds. Kestrels have become authors and have made a class book of their Robot and Bluebird stories. They have also experimented with creating sounds of a high and low pitch in science, and have listened to songs by the Beatles in music. Eagles have made great progress with long multiplication and division. In English, we have written some super stories of the battle between the Iron Man and the Space-Bat-Angel- Dragon. In R.E we have studied the features of a Buddhist temple. .

Happy Easter from all the staff at Aslacton. Enjoy your break and we will see you back in school on TUESDAY 23rd April.

Meals

The kitchen have informed us that they will be substituting the salad and coleslaw for peas and sweetcorn on Tuesday 23rd April. The rest of the menu remains unchanged. The new menu for after Easter can be found in the parents section of the school website.

Clubs

A new club letter will come out after Easter.

Football will continue with Mrs Moore—those who have a place will be able to continue—this will begin on the first day back.

Philosophy for Children

We have really enjoyed hearing the children's ideas in response to our philosophy questions this term. A new question will be published after the holidays. Thank you for taking time to discuss them and talk about them at home.

Drum success

Congratulations to Charlie who has passed his Debut Level drum exam this week. Well done Charlie!

Please do let us know of the achievements of our pupils outside of school so that we can recognise and celebrate them with them also.

Cake Friday

This week's winner is Louie.

Holiday fun

Attached to this newsletter (following 2 pages) are adverts for 2 local activities happening in the Holidays.
