

Acceptable Use Policy for Pupils and Parents

Online Safety Rules

Dear Parent,

The Internet is an extremely rich resource both for learning and for recreation.

We will encourage children to make effective use of the information resources available on the Internet both for study and for recreation. We will encourage children to develop the appropriate skills and understandings that will enable them to use these resources well and safely, as well as the ability to analyse and evaluate the resources they find. These skills will be fundamental in the society our pupils will be entering. Children will be encouraged to make use of both the Internet and e-mail.

Our Internet access is through Norfolk County Council and within the school network we use a filtering system that restricts access to sites containing inappropriate content. All our screens are in public view and an adult is present to supervise.

No system is perfect, however, and you should be aware that it is not possible to remove entirely the risk of finding unsuitable material. We ask both pupils and parents/carers to sign the form to show that the e-Safety rules have been understood and agreed. A full copy of the Online Safety policy is available on request or can be found on our website.

Yours faithfully,

Mrs A Lightbown
Headteacher
