

## Aslacton Primary School - Newsletter Friday 24th May 2019

This term our Core Value is: Community

Owls have been deciding what to do with the gold that they have found and have written the end to their story. They also spent the day finding out how to be a pirate! This week, Kestrel class have started writing their own ancient Egyptian adventure stories and in maths we have spent lots of time practising our times tables by playing multiplication games. Eagles have been designing PowerPoint presentations on Ancient Greek inventions, writing exciting stories about the fire at The Globe Theatre and learning a Malawian song to sing in Collective Worship.

### Friends of Aslacton School Meeting

Thank you to those who attended. We are looking for volunteers to help organise and run our Family Fun Night on Friday 12th July. If you are able to help please see Mrs Turk or Hannah Brookes.

### Kestrel Class Ancient Egypt Day

On Friday 7th June, Kestrel class will take part in a range of activities to celebrate our learning on this topic. The children are invited to come to school in a costume inspired by the ancient Egyptians.

### Crisp Packets

Thank you for the packets we have collected so far, please keep collecting over the holiday. The packets can be from any brand of crisp and we can also collect the large multipack wrappers too.

### Music Lessons

Our Ukulele teacher, Mrs Drake, is able to offer flute and clarinet lessons to children on a Friday morning during the next half term. There will be a cost for these lessons (this is dependent upon the number of children interested). You will be able to register your interest at the school office for these, and if there is enough interest we will contact you with further details. This will be a first come, first served offer. Please do not try to register your interest until 3rd June.

### Philosophy for children

This week's question is: *Can everything be improved?*
