

Aslacton Primary School - Newsletter Friday 14th June 2019

This term our Core Value is: Community

Owls have been learning about life in Africa and have designed and made safari vehicles. Kestrels have started reading their new core story; The Secret of Black Rock by Joe Todd-Stanton. In maths, they have collected data and presented it in different ways. Eagles have been writing diary entries from the perspective of a Malawian child. We have been revising long multiplication methods and enjoying learning our new sport of the week- Danish Long Ball. We have all thoroughly enjoyed having Mr Mbandambanda in our class this week.

Aslacton-Malawi partnership

We have greatly enjoyed having Mr Francis Mbandambanda with us this week and thank you for joining us to celebrate this link at church this morning. We are sending Mr Mbandambanda back to Malawi with gifts of books from each class, stationery paid for from recent Cake Friday collections and a set of exercise books. We have also given him a set of uniform to show his children at his school.
