

Aslacton Primary School - Newsletter Friday 28th June 2019

This term our Core Value is: Community

Owls have spent most of the week doing P.E. both competitively and with children from our other trust schools, alongside some exciting forest schools activities. Kestrels really enjoyed their forest schools lesson where they learned how to tie clove hitch knots; they used this skill to make wooden frames in which they displayed a piece of artwork made from natural resources. Eagle class have been learning how to convert and order decimal measurements. In English grammar, we have been using bullet points for information. All children have thoroughly enjoyed learning the new sport of fencing this week, they have been introduced to equipment, scoring, stance and position.
