

Aslacton Primary School - Newsletter Friday 5th July 2019

This term our Core Value is: Community

Owls have been to the smallholding for a picnic and checked on the progress of their sweetcorn and pumpkin plants. They have also done some fabulous writing about Africa Alive. Kestrels have used maps and atlases to locate major oceans and seas in our geography lessons, and in music we have learned about sea shanties and have written our own. Eagles have been learning how to order decimal number weights, we have been making tree spirits and willow structures in our Forest School sessions. We have also thoroughly enjoyed learning lacrosse and visiting African animals at Africa Alive.

Thank you!

Thank you to the Friends for providing the summer disco for the Year 6 leavers this week. Everyone had a very enjoyable (and warm) time. Thank you also for funding the cost of the coaches (at a cost of £564) for all three classes to have fantastic visits to Thrigby and Africa Alive this term.

Non-uniform for Family Fun Hampers

Thank you for your contributions today - if you have a contribution still to bring, please hand to your class teacher on Monday. (Don't forget to buy a ticket!)

Family Fun Night -FRIDAY 12TH JULY 3.15-6PM

If you would like to book a slot on the bouncy obstacle course please see Hannah Brookes on the playground - £2 a slot.

If you would like to pre-order BBQ food (no orders can be taken on the evening) please see Anne Huckle on the playground prices available on Monday.

If you do not do the school drop off/pick ups then please email the school office and we will pass on your booking. Please send payments with your child to be passed on also. Bookings must be made by 3.30pm on Wednesday for BBQ food.

If you have not signed up for a slot to help run a stall for a half hour slot - please check your child's classroom window.

We are also looking for donations for a tombola (these can be dropped off at the office any time next week) and a cake stall (these can be delivered to school on the morning of 12th July). If you can help out in this way we would be very grateful.

We look forward to seeing you all there to raise money towards visits, discos and other exciting extra curricular activities for the coming year.
