Message from Mrs Haines

Welcome back!

Everyone has made an excellent start to the Summer term and the weather has been kind too.

The Summer term is always super busy with lots of events to look forward to. It was great to see so many families in school for Family Friday, Owl classes' activity was certainly an interesting challenge for us all and made everyone think.

Covid is still rumbling in the background and cannot be forgotten, but we are determined to not let it get in the way.

Have a lovely weekend and take safe and healthy.

Family Friday

We hope you enjoyed being back in school this morning. We appreciate that for families with more than one child in school this is a tricky session to balance time with each child. Due to the nature of the activities being linked to the age and stage of each class we can not mix families across the classes, however, we have agreed that we will trial a slightly different approach after May half term with Family Friday on a rotational basis around the classes. Dates for each class will be sent out nearer the time and we will ask for feedback at the end of the Summer term in July from you before making a decision on the permanent running of Family Friday from September. Please bear with us as we have these 2 trial half terms as we want to be able to accommodate the most practical solution for both parents and teaching staff.

Dates for your diary:

Parent Readers will continue in their current slots each week.

Sunhats and coats

Please can every child have a sun hat every day in school this term – they do spend more time outside and the weather can turn very sunny and hot without much warning during the day. Please do also continue to send a coat as the wind can be quite chilly on the playground!

Parent Governor Vacancy

We have a vacancy on our local governing body who are responsible for both Manor Field and Aslacton schools. If you are interested or would like more information please contact Mrs Haines via either of the school offices.

Year 2 Road Crossing

Next Tuesday Year 2 will be having a session in road safety from our road safety partner. Children will go out in small groups with adults from school to complete this on the roads near to school. Permission for this is covered by our local walks permissions.

Class DoJo

If you haven't managed to log on to Class Dojo yet with the app, please search your child's bag for their log in details or ask their class teacher for another copy.

Cake Friday

The cake was won by Eleanor.

The Friends

To keep up to date with the plans of the Friends, do find them on Facebook—"Parents and Carers: Aslacton School"
