

Aslacton Primary School - Newsletter Friday 13th May 2022

This week at Aslacton

Eagle class have created a physical geographical fact file about a Caribbean Island. In Maths, we have calculated the area of different triangles and parallelograms. In English, Year 5 have enjoyed applying parenthesis and extra information to facts about the Pebble Toad. In Art, we have created collage flowers for our jubilee posy project. In French, we have played a coordinates game to learn place names in our locality. A huge well done to all Year 6 who have approached the SATs assessments this week with maturity, stamina and maximum effort. You are all superstars! This week, Kestrels have started to explore what makes a healthy diet by looking at the nutrients that different foods provide and how these nutrients help our bodies. In English, we have acted out a scene from Charlotte's Web where the owners of the barn discover the spider's web displaying a message. The children had to imagine they were either local residents, who had seen the amazing web, or reporters, who had to capture what had happened and interview witnesses. We then wrote news reports about this eventful part of the story. In Owl class we have consolidated addition and subtraction. Year 1 and 2 enjoyed a walk around the village looking for natural and manmade features and then drew maps of our walk. We have also thought about our relationships with others in our RHE lessons.

Message from Mrs Haines

This week has been KS2 SATs week, I would like to say a big BIG Thank you to all the staff involved, who supported and kept the children calm and Mrs Bartholomew for administrating the SATS papers with me and getting them safely and securely to the courier. I am extremely proud of our Year 6 boys and girls and I hope you all have a wonderful weekend.

Dates for your diary:

Cake sale for the Friends

Next week there will be a cake sale for the Friends next Friday 20th. It is the turn of Owl class to provide the cakes on the theme of the "Spring". Please drop all donations off to the school office on the Friday morning. Please do support the cake sale after school on the playground.

Parent App for payment of school Meals and school visits

An email was sent out last week inviting parents to sign up for the Pupil Asset Parent App . This enables parents to make online payments for dinners and school trips linked straight to the school database. Please note, payments for Breakfast Club should still be paid via BACS. The Parent App is our preferred method of payment for all school dinner and school trip payments from now on. Any cash payments that were sent in for school meals between 26th April and 6th May will be added to the online system on Monday. Please remember that all payments for school dinners should be made in advance and can be made weekly, fortnightly or for each half term. Any parent who has not received a link to the app and would like one, please contact the school office.

Cake Friday

The cake was won by Bonnie

There is **NO CAKE FRIDAY UNTIL AFTER HALF TERM** as there will be an after school cake sale with Spring themed cakes provided by Owl class next week and then our jubilee celebrations.

We will be learning about and celebrating the Queen's Platinum Jubilee in the week before half term.

Street Party order forms have been sent home today. Please send back by 18th May. **NO OTHER MEALS WILL BE AVAILABLE ON THIS DAY.**

On 27th May we would like to invite the children to come to school dressed in 1950s style or red, white and blue clothes. No football kits please as this is a party event. Please remember that the children must be able to take part in all the usual school day activities. Please ensure their footwear is safe and suitable for a school day.

Headteacher's Award

Owl: Freddy M for your writing on Thursday this week.

Kestrel: Lola for your fantastic maths fraction work and using mathematics vocabulary.

Eagle: All of Year 6 for your endurance, resilience and effort in SATs assessments this week. We are all very proud of you.
