

Aslacton Primary School - Newsletter Friday 20th June 2022

This week at Aslacton

Eagle Class have been learning the technical vocabulary linked to circles. We have used a compass to draw circles with a given radius. In English, we have been editing our Compere Lapin Caribbean stories and creating a story board design to summarise events. In Science, we have been very excited to build streamlined paper boats to investigate water resistance - fantastic enthusiasm and boat design. In R.E, we have studied stories, symbols and meaning within stained glass windows in preparation for our Cathedral trip.

This week in topic, Kestrels have recapped the names and locations of the oceans, and have learnt about the geographical features by studying the different depths, temperatures and areas. In English, we have experimented with sentence structure and descriptive language by using time adverbials and similes. We have continued to practise telling the time in maths by making our own timetables and converting analogue to digital times. A big well done to our Year 4 children who have worked hard on their times tables; they all completed the Multiplication Tables Check this week and should be very proud of their efforts.

This week Owls have been focussed on new sounds in phonics, with Reception starting phase 5. We have still not discovered the name of our core story but we have seen the main character take a trip from the city to the countryside. We played car games and wrote a journal entry for Belle. We also had a go keeping our own journal. In RE we looked at Christian places of worship in readiness for our cathedral trip.

Message from Mrs Turk to the KS2 Residential Trip

Have a fantastic time next week—be brave, try something new, have fun and don't forget to try and sleep! I look forward to hearing all about it on your return.

Dates for your diary:

Horstead Residential

Weds 22nd– Fri 24th June

Owl Class Forest School

Activity Day

Friday 24th June

Eagle Class Forest School

Activity Day

Tuesday 28th June

SMILE: We aspire to unlock the full potential of every pupil in a safe environment by Stimulating, Motivating, Inspiring Learning and Enjoyment

Aslacton Primary School - Newsletter Friday 20th June 2022

Sports Day

Parents are invited to join us to watch sports day on Monday 4th July. You are welcome to join us from 9 although we will start activities nearer to 9.30. In the morning there will be a carousel of activities in house teams (siblings are in the same house) and in the afternoon the more traditional races. You are welcome to bring a picnic lunch. Please can we ask that you limit attendance to 2 adults per family as there is more moving about and less space than at the Jubilee party. We will not be able to keep opening and closing the school gates during the day.

Cathedral visit

We had a fantastic time at the Cathedral on Friday—it was cool and calm inside which was probably the best place to be given the outside temperature! We all explored the history of the cathedral, its construction and in particular the windows. The volunteers at the cathedral were very complimentary of the behaviour and attitudes of all our children throughout the day and we as staff were very proud of the children we took with us. Well done everyone, and a huge thank you to St Michael's PCC who funded the travel and activities so this visit could take place.

Cake Friday

Cake Friday returns on 1st July.

House Points

 Here is how the house points stand:

	Holkham	Winterton	Brancaster	Mundesley
This week:	123	105	116	157
This term so far:	1003	1199	1056	1339

Dates continued

Leavers disco—whole school

Thursday 7th July Times TBC

Year 6 on road cycling

Friday 8th July

Family Fun Night

Friday 15th July 4.30-7.00pm

Headteacher's Award

Owl: Eden Mae for her amazing journal entry as Belle.

Kestrel: Frankie for her brilliant use of time adverbials and similes in her writing.

Eagle: Jack for thoughtful ideas and opinions in RE and his knowledge of stained glass windows.

SMILE: We aspire to unlock the full potential of every pupil in a safe environment by Stimulating, Motivating, Inspiring Learning and Enjoyment
